

# Iced Flavors

Office Solutions

Problem **solved.**

Who says the only way to serve coffee is black, or with cream and sugar? If you love gourmet coffee at your local coffee house or brewing K-Cup portion packs® in your Keurig brewer, you'll love these hot summer cool downs.

## Iced Mocha Caramel Latte

1. Swirl chocolate and caramel syrups inside walls of clear 16oz. cup
2. Squirt chocolate and caramel syrups in the bottom of the cup
3. Add a packet of sugar/sweetener (optional)
4. Pack cup with ice
5. Add approx. 1 oz. of Half & Half
6. Brew your favorite K-Cup® to half fill cup
7. Stir to mix the syrups and Half & Half into the coffee
8. Add whipped cream and drizzle with chocolate and caramel syrups and add sprinkles!

## Iced Coffee

- \* 12 oz tall glass
- \* Favorite K-Cup
- \* Cream or Half & Half
- \* Ice
- \* Sweet'n Low or sugar (optional)

Pack a 12 oz. tall glass with ice, pour 3 oz. of cream or Half & Half over the ice, brew your favorite K-Cup® into a separate cup to dissolve sweetener or sugar. Then pour into ice filled glass.

Enjoy.
